

Lipstick & Liquor

SECRETS IN THE SUBURBS

A cold, December day. A mystery unfolds. Julie Kroll stumbles away from a minor car accident in Northern Virginia, leaving behind her eight-year-old daughter...and an open container of alcohol. As darkness descends, she disappears.

***Lipstick & Liquor* is a compelling new documentary that explores the secrets in the suburbs and confronts the stigma surrounding women who drink.**

Caron Treatment Centers presents a special screening of
