

Growth in Recovery

Please join the Washington, D.C. Fellowship Group for an evening with special guest speaker, Dr. Anita Gadhia-Smith, who will discuss "Growth in Recovery."

Dr. Anita Gadhia-Smith is a psychotherapist in Washington, D.C. specializing in addictions, recovery, and relationship issues. She has served as a consultant to the United States Congress in parity legislation for substance abuse treatment. She has also spoken nationally and internationally on radio, television, and other media as an expert on a variety of topical subjects.

One of the things that distinguishes Dr. Anita Gadhia-Smith is her own personal history of addiction as well as over two decades of recovery. She has had a first-hand experience of a spiritual, physical and emotional "bottoming out" followed by a remarkable story of recovery and commitment to helping others who suffer with alcoholism, addictions and relationship issues. You may visit her website at practicaltherapy.net.
